Now let's get back on to the last part of bussiness  
There is only one word for that, loyalty  
Don't forget everybodys gotta be loyal  
That's how the bussiness started  
That's how everybody got togeether  
That's how they got all these fancy cars boats n this n  
that  
We lost couple of guys along the way  
But we still strong because of the loyalty that we have,  
the trust

That's how we stood all these years  
So don't forget loyalty  
Money... all the money in the world can't buy loyalty  
That's something that comes from your heart  
Don't forget that  
Don't ever forget your roots  
Let's keep up the good work
