Everywhere I go, everything I do, she knows,
I cannot get away from her (she knows, she
knows)
I cannot get away from her (she knows)

Now Cause she be everywhere I be, everywhere I
go, everything I do, she knows,
I cannot get away from her (she knows, she
knows)
I cannot get away from her (she knows, she
knows)
I cannot get away from her (she knows)

put you in a Bentley
draped in plenty ice
and you can spend the thousands
and imma stack the millions
Versace spreads on the bed money to the ceiling
she stay on my mind, shawty
she gon hold me down
a cute face, nice ass when I fly around
you know I'm hustling working flipping these
dollars
stepping on hundreds when we jumping out the
showers
Yea I'm on this fly ****
mink on the floor
with the butterfly doors
and them seats be astringe
cash money mobster
a known big tymer
Diamond in the middle
11 hundred right beside her
you can have whatever you like
take ya pick shawty
make me pull a yak
Caribbean beach shawty
and she my down bitch
and I'm a real stunna

How can I get away from her (she knows, she knows)
how can I get away from her (she knows, she knows)

how can I get away from her (she knows)

Cause she be everywhere I be, everywhere I go,
everything I do, she knows,
I cannot get away from her (she knows, she
knows)
I cannot get away from her (she knows)

Don't worry about yo luggage baby we gon be fly
Hit the mall buy it out, you know what cha like
Gucci bag, matching pumps, that's ya **** right
The finest wine on the table ?????? everywhere
Pop the bottle, pour it up, while they stop and stare

Everywhere I be, everywhere I go, everything I do, she

I cannot get away from her (she knows, she
knows)
I cannot get away from her (she knows)
Now! Cause she be everywhere I be, everywhere I
go, everything I do, she knows,
I cannot get away from her
I cannot get away from her

Cause she be everywhere I be, everywhere I go,
everything I do, she knows,
I cannot get away from her (cant get away from
her)
I cannot get away
she be everywhere I be, everywhere I go, everything I
do,
everywhere I be, everywhere I go, everything I do
everywhere I be, everywhere I go, everything I do
everywhere I be, everywhere I go, she i's
