Burn It All Down

Burn it all down
Burn it all down
Burn it all down to the ground
I'll just wait

Hearts on fire
Heads on fire
Burn it all to the ground
Gods on fire
I'm on fire
Burn it all to the ground
Every institution
And the constitution
Nothing can be saved

I will not be told
By those who've sold
Everything that is beautiful in the world
My blood runs cold
From the strangle hold
Of a society
Who will sacrifice
Everything & everyone
So..

Burn it all down
Burn it all down
Burn it all down to the ground
It's just our fate

The worlds on fire
The worlds on fire
Burn it all down to the ground
The worlds on fire
the worlds on fire
Burn it all down to the ground
I'll just wait
