Dirty blonde hair
My new girl she's got dirty blonde hair
Dirty blonde hair
My new girl she's got dirty blonde hair
I don't care what you say
I will forget you someday, someday, someday

Alcohol and cocaine
Have never been a problem for me
But a beauty queen with raven hair
Is like a disease
Consuming me
I can't break free from her

Dirty blonde hair
My new girl she's got dirty blonde hair
Dirty blonde hair
My new girl she's got dirty blonde hair
I don't care what you say
I will forget you someday, someday, someday
