Nice pants
Wait in line for the elevator
Shaking hands
Got a smile like an alligator
Hey chief,
How do you do?
[Yeah.]

Everybody's evil
And they're only getting eviler
Like to stop the lockjaw
Feeding on the feebler
I carry it downtown
With a pillar in my pocket
Rocket

I would like you better if you had a job
I would like you better if you had a job
Ooh, that's right

Son of gun
Son of gun

Son of a gun
Thats quite an attitude
Could you get that notorized?
Tape (tape deck) dictation

Everybody's funny
But they ain't getting funnier
My god damn clothes
Couldn't waste the money-er
Did you-
Did you have fun at the par-tay?
At the office party.

I would like you better if you had a job
Ooh, ooh
I would like you better if you had a job
Aah-woo

Say it again
My friend
But you could've been, could've been, could've been
Ready for idle hands, idle hands
i dont know

I would like you better if you had a job
'Cause you ain't no Picasso
I would like you better if you had a job
Ooh that's right
I would like you better if you had a job
'Cause you ain't no Picasso
I would like you better if you had a job
Ooh that's right
I would like you better if you had a job
'Cause you ain't no Picasso
