(Welcome  
It's a highway to hell  
The holy roadside  
Step right this way)  
And they all lay down, lay down  
Holy roadside  
(Holy roadside  
Like a scarlet glistening necklace  
On a whore you can have, but never own  
I try with jaw-grip determination to temper the beast  
Black and winding, whip-thrust  
Running ever-on, unthinking, unsleeping  
Purposeful that way  
The naive never grieve  
But believe in their purchase and lay  
Holy roadside)  
And they all lay down, lay down  
Holy roadside  
Way up on high  
The angels Hawaiian  
They spread their wings and they smile for a while  
(Raise your voices)  
Hey children, can't you see  
Everybody's got the right to be free  
Yeah, we all lay down, lay down  
Holy roadside  
(All our heros gone before us  
May their work forever live on)  
I wish, I wish, I wish  
I could come back in the next life  
As a black labrador soakin' up the sun  
One and all lay down, lay down  
Holy roadside  
(It's a highway to hell  
Holy roadside  
Where the atheist drops to his knees and prays)  
Oh lord, oh lord won't you spare me  
Won't you send me one last sign  
Let me go, don't you know  
I can mend my ways  
It's way before my time  
And we all lay down, lay down

Holy roadside  
Lay down, lay down  
Holy roadside  
Lay down, lay down  
Holy roadside
