I remember  
You had nothing my dear  
Every meal you ate was served inside a can  
And I remember  
You knew something called love  
And we hitched along the roadside in the rain

And now I gotta say  
I know more of you that way  
Every inch of you's a star  
Now a chauffer drives your car

But there ain't a lot of love in paradise  
There ain't too many good things left in your life

I remember  
All your crazy ideas  
And the help you sought to realise your dreams  
I remember  
Your material smiles  
For the people who had trusted and believed

And now I gotta say  
I know more of you that way  
Playing with the life  
You rolled it like a dice

But there ain't a lot of love in paradise  
There ain't too many good things left in your life  
But there ain't a lot of love  
Remember

Baby, baby  
Why must you be so obscene?  
Baby, baby  
You're falling apart at the seams

There ain't a lot of love in paradise  
There ain't too many good things left in your life  
Too many good things (There ain't a lot of love)  
Of love (in paradise)

Too many good things (There ain't too many good  
things)  
Left in your life

Remember  
Remember
