Precious  
You know I have nothing  
Precious  
No money can buy  
You're like a treasure  
Lost to the sands of time  
Whatever you're hiding  
Few can deny  
You sure got something  
Precious  
About you  
I love your ancient charms  
Precious  
Oh my, my  
I'm saving you for myself  
We fall into each others arms  
And in the half-light  
Reveal your charms  
Precious  
Now we are as one  
Sins of the father  
Are those of the son  
Feel my soul surrender  
Precious  
No doubt about it  
I love your ancient charms  
Precious  
Oh my, my  
I just want a piece of you  
So come and surrender  
Wearing the gifts god gave you  
Who will save you now  
Save me some of your  
Precious  
Come on now  
I love your ancient charms  
Precious  
Oh my, my  
I just want a piece of you  
Precious  
Oh my, my  
I'm keeping you for myself
