(feat. Lord Jamar)

I hope my ex can hear me

My four mother and four father that wait for me to
reach ... to a never ending story

Freedom still in lose, wile the lose is still ..

And fill the pocket to the powerfull

Feel the confusion ...

And no hope can replace the....

America no more brakes ...

Why so manysame story here, same story there
....nobody care....

People got to live he's got to ...

'aint no love in the streets

You nigga sound stupid when.. in the streets

Same nothing but they still have problems

....

This their hope music

....

when they say you should die

This their hope music,

This their hope music,

.....

This their hope music,

...

A little motivation for anything...

Your money gracefully ... live for

Stoping chasing

..

keep braking the law

...

I thing it's about time

see this it's the ... music .

...

See I bulid self estime

Anything I can do, I do to help the team

Believe in your self, falow your dreams

Believe in your self, falow your dreams

This their hope music

....

when they say you should die

This their hope music,
This their hope music,
.....
This their hope music,
...
Way too much problem ..the pressure start in a bubble
Everything's falling down...
Day shit, night shit tell what your life is?
Almost smoke a pocket
.....
Put that wide on your...
..
Devil it's on your back, everyday it's a new challenge
The city it's under pressure
.....
Let the goo Lord ...
...
Keep ..strong..that's why I wrote this song
This their hope music
.....
when they say you should die
This their hope music,
This their hope music,
.....
To face all your fears
This their hope music,
