Well they tell you all to just say no  
But we all know where they can go  
They're all a bunch of hypocrites  
And if they just say no, I'll just say yes

Hysterical, McCarthyist, they want to find a nice quick  
fix  
A witch hunt is being carried on  
And all of your rights will soon be gone  
They catch your ass with one small joint  
They'll take your car, you'll get the point  
They'll nail you up onto that cross  
But Noriega got paid off

Just say no to poverty  
Just say no to misery  
Just say no to Ronnie's wife  
Just say yes to real life

Saying no will fail the test  
Without a reason to say yes  
Drugs are a symptom not the cause  
They're not the source of all our flaws  
The world's got problems that's a fact  
But it's gone too far to turn it all back  
The war on drugs is so much bull  
Our jails are already full  
Should we let a few child molesters out?  
I guess so

Stupid, fucking, narrow-minded, longwinded  
Short-sighted, useless stupid, fucking fools  
Well fuck them all and all their rules  
Why don't they put this shit to rest?  
They tell me no, I tell them yes  
Yes, yes, yes, yes, yes, yes, yes, yes

Zero tolerance that's the way  
They'll make the average bozo pay  
But working for the C.I.A.  
Means the big fish get to swim away  
Iran - contra, Pentagon

But we all know what's going on  
And we're the ones who'll pay the cost  
And if anyone's guilty it's them not us

Just say no to all their lies  
Don't say no without asking why  
Just say no to hypocrisy  
Just say yes to reality
