Wait for the light
But you've been still sly
Baby it's not your sleigh ride
But this yet it's ours
And maybe tomorrow
Were gonna see
Things I'd never believe
I'll make you want me you'll see
The initial morning of spring
Only two reindeer
Oh what a sight
As they take their first flight

I will, I will
We wait until
For them into the sky
Oh baby it's all inside

I will, I will

Born in the night
As two reindeer take flight
Oh what a sight

I will, I will
I will sleep tonight
