If you still feel free
But you cant steal with me

You stole my heart
Lifes a journey with no start
I fell ill on the run
My fears flow down stream

You stole my heart
Lifes a journey with no start
I fell ill on the run

If you still feel free
But you cant steal with me
You steal everything, anything
I feel everything you feel
Without me you'll only get so far
You steal the corner of my smile

You steal everything, anything
I feel everything you feel
Without me you'll only get so far
You steal the corner of my smile
