Yes I've seen a rainbow
And I felt the rain
Woke up to a sunrise
And I felt the pain

Woke up to a sunrise
Made it through the rain
Seen the world through your eyes
There and back again

I've seen it all somehow
Let's just look at us now
We've seen it all somehow
Let's just look at us now

Yes I've seen a rainbow
And I've felt the rain
Woke up to a sunrise
And I've felt the pain

I've seen it all somehow
Let's just look at us now
We've seen it all somehow
Let's just look at us now
