Ohhhh

Hear me though

They'll bury me with my SP-1200

(M.O.P): FOR SHO

Fuck the trinity inseminate the earth now, take its
virginity

In my vicinity rap is like energy pack

Sending me back behind enemy line to rap too melodic

Melodies never melodramatic but hipmatic like Jell-O fo
fellow fanatics

I fiend for, who FUCK WITS, inappropriate

Fill em with so much lead I'll call

(M.O.P): BERGER AND ASSOCIATES

This rhyme, will remain in the minds of my foes forever
in infamy

The epitome of lyrical epiphanies

Skillfully placed home we carefully plan symphonies

Who would be ignorant enough to have the audacity
to fuck wit the likes of I and my tenacity?

This is, what you, get when, you fuck,

with the, likes of, the magnanimous flows

of total assholes and ignoramuses

M.O.P. slash Pharoahe Monch cause damages

The advantage is we banish artists labels and
managers

Amateurs found six feet deep, in metal canisters we

Chorus 2X:

M.O.P: SHOW NO MERCY

Pharoahe Monch: For the love of this shit here niggaz
are bloodthirsty

Try

M.O.P: LOAD

P.M: Lock

M.O.P : HAMMER

P.M: Aim

M.O.P: Cock , (or) Drop (changes a few times)

[Lil' Fame]

Lil' Fame bring it live yo, that's what I strive fo'

I'ma settle this before you get to call 5-0
