Dead set in the morning  
Dead set and I'm all alive  
No two minute warnings  
A road movie where no one dies

Go find me a feeling  
I give it you all the time  
The sun in the ceiling  
Won't give me the light tonight

Dead set in the morning  
Dead set in the morning  
Dead set in the morning  
Dead set in the morning  
Feel it coming for me

I'm hearing you calling  
And you're giving me all the signs  
We're too busy stalling  
To take it across the lines

Get back, get back  
Get back, fast, fast

Dead set in the morning  
Dead set in the morning  
Dead set in the morning  
Dead set in the morning  
Feel it coming for me
