Summer, feels like it's over
Winter, is on the way
Summer, takes all the glory
Blue sky's, are turning to grey

To live in the hearts of those that you loved is not to die
To live in the hearts of those that you loved is not to die

Like when I heard silence is golden and never so white

Summer, feels like it's over
Winter, is on the way
Summer, takes all the glory
Love songs, get in the way

To live in the hearts of those that you loved is not to die
To live in the hearts of those that you loved is not to die

Summer, feels like it's over
Winter, get's in the way
Summer, takes all the glory
New sky's are turning to grey

To live in the hearts of those that you loved is not to die
To live in the hearts of those that you loved is not to die
