And now that the can is open
I can truly speak my mind
It's been working up til this fight
You know im not the lying kind

Let your secrets be mine tonight

Trust in your eyes to where they first met with mine
I'd be the person you'd fine

Oooooooh oooooooh

Can't believe you didnt know it
Can't belive i didnt show it
Can't belive i didnt know it
I can't belive you didnt show it
All my secrets are out tonight

Trace all your steps to where they first cross with mine
Keep all the treasure you find
Trace all your steps to where they first cross with mine
I'd be the person you'd find

Oooooooh oooooooh
