Faith pours from your walls  
Drowning your calls  
I've tried to hear  
You're not near

Remembering when  
I saw your face  
Shining my way  
Pure timing

Now I've fallen in deep  
Slow silent sleep  
It's killing me  
I'm dying

To put a little bit  
Of sunshine in your life

Now this slick fallen rift  
Came like a gift  
Your body moves  
Ever nearer

And you will dry this tear  
Now that we're here  
And grieve for me  
Not history

And suddenly you're  
In love with everything

Warm sun, warm sun  
Warm sun, warm sun  
Warm sun
