Visit "[Thinking Of You](#)" on MotoLyrics.com

Everybody let me tell you 'bout my love
Brought to you by an angel from above
Full equipped with a lifetime guarantee
Everybody knows that you belong to me

Hey, it's you and the things you do to me
That makes me love you
Now I'm living in ecstasy

Everybody let me tell you 'bout my love
Brought to you by an angel from above
Full equipped with a lifetime guarantee
Nothing can stop me
?

It's you, and the things you do to me
That makes me love you, now I'm living in ecstasy
