Something you're not sure of
Something you're not sure of
There's something you're not sure of
This thing you're not sure of

People meet me ask if
I got the money to lend her
Find her, tell her
She is still on the agenda

'Cause pretty soon we'll be dancing
We'll be using our feet
Just like we always had it easy
Just like we always knew we'd meet

You're not sure of
Anything you're not sure of

People who see me
Think I vibe on the attention
I just think they're hoping
That they'll be getting a mention

But I don't know what their chance is
They ever finding their feet
And if they know what to dance is
The kind of people I don't meet

After this song I will
Be earning a fat cent
I'll be working on my
American accent

And pretty soon we'll be dancing
Yeah, we'll be using our feet
Just like we knew it'd be easy
Just like we always knew we'd meet
