(One, one, one, one, one, one. One, one, one, one, one, one)

June is on the run for so long
Pushed and pulled then shunned
It was so wrong
These four walls crashing in won't stop me now
Cause I'm alive, I'm out tonight, all night

Everybody needs to know it's the year of the rat
Every day we've got to hold on
'cause if we hold on we could find some new energy

Streets with flags unfurled like treasure
Thank me for my words, it's a pleasure
Just don't ask me to stay 'cause I'll be gone
But it's alright I'm OK - always

Everybody needs to know it's the year of the rat
Every day we've got to hold on

'cause if we hold on we could find some new energy

One plus one is one - together
One plus one is one - forever
One plus one is one - together
One plus one is one - forever

Everybody needs to know it's the year of the rat
Everybody needs to know it's the year of the rat
Everybody needs to know it's the year of the rat
Everybody needs to know it's the year of the rat
Every day we've got to hold on
'cause if we hold on we could find some new energy
