I had a dream we'd all drive to Cali  
We had our bags packed, and she was by my side  
But it was all too good to be true  
Katie never felt the way I do

She's into jocks and the guys with all the money  
I got neither but I'd treat you right baby  
I've got to think fast of a way to catch her eye  
It's my last chance .. here goes

I'm going to jump off mountains

For this girl it's true, I wish she knew.. the way I feel  
about her  
I'm going to fight for her love, like I'm 10 rounds strong  
She will see what I'm willing to do

For her love, for her kiss  
For her taste, for her warmth  
This girl's got a spell on me  
She's cute, yea she's coy  
She's real, yea she's fine  
But Katie that girl.. she isn't mine
