When I'm crying, You laughing,
You think that it has all been decided,
But it's all coming back to you,
You never realize,
You think it's alright.

You say I can't swim, but your drowning,
You think that it's all is been decided,
But you still hiding in your shoes,
You never try to walk,
You think it's alright.

Cause the days are coming early,
The sun is shining clearly,
We need a ride, To travel fast,
Just don't deny , Break the ice,
World's becoming lonely,
When pride just can't be print,
I can't decide.

You say I can't swim, But your drowning,
You think that it's all is been decided,
But you still hiding in your shoes,
You never try to walk,
You think it's alright.

Cause the days are coming early,
The sun is shining clearly,
We need a ride, To travel fast,
Just don't deny, Break the ice,
World's becoming lonely,
When pride just can't be print,
I can't decide.

Cause the days are coming early,
The sun is shining clearly,
We need a ride, To travel fast,
Just don't deny, Break the ice,
World's becoming lonely,
When pride just can't be print,
I can't decide.
