Everything is coming your way,
You gotta move things fast,
Evrything is gonna be secret,
You gotta rise above,

Come on,
Come on,
Come on,
Come on,
Come on,
Come on,
Come on,

You gotta have it now,

Come on,
Come on,
Come on,
Come on,
Come on,
Come on,
Come on,

You gotta have it now,

When things are going no where,
You gotta let it go now,
But if it going somewhere,
You gotta take it back,

Come on,
Come on,
Come on,
Come on,
Come on,
Come on,
Come on,

You gotta have it now,

Come on,
Come on,

Come on,
Come on,
Come on,
Come on,
Come on,

You gotta have it now,

You want what you need,
You gotta happy now,
You gotta go for it,
You gotta make it loud,
So you coming for it,
Are you happy now,
Only on today,

Oh you got it now,

O, o, o, o, o, o, o(8x)
