(Verse 1)

Why, why, why, can't I have my dream? Why, why,
why, can't I skip this town and be gone? Why, why,
why, don't you think I've got what it takes? Can't
you see I've got lots goin' for me? Maybe you're
just jealous oh baby I can see those lies ya throwing at
me & some of you think I'm crazy for chasing my
after dreams well you gonna eat those words when
I'm singing on American idol & smiling at them
cameras and its all cause...

(Chorus)

Someday I'm gonna get away I can't take this crazy
anymore so bye-bye baby I'm gone. I can't breathe
anymore I need to run away. I need to get away. Fast,
fast, fast, nothings left for me here. Ohh I'm dying oh,
oh, dying out here. I gotta be gone. Oh let me be gone
oh I don't care I'm gone (gone, gone, gone, gone)

(Verse 2)

If you don't let me get away, I swear your gonna be
sorry, you don't stop bein' mean to me darlin' that
nobody's gonna wanna be you when I'm through.
And then I'm gonna be gone, gonna get real famous
then I'm gonna look back at you and say sorry but
that's just the way I am. But until then....

(Chorus)

(Verse 3)

Now that I'm gone I'm glad to be gone, but
sometimes I do look there's nothing for me back
there but it was home even though I'm so much
happier here. And now that I'm gone I'm on all the
magazines and I feel beautiful just like a prince I can
rock out loud and nobody yells at me, to turn it down
I'm so glad that I'm gone. So glad that I had the
feeling that...

(Chorus 2)

Someday I'm gonna get away I can't take this crazy
anymore so bye-bye baby I'm gone. I can't breathe
anymore I need to run away. I need to get away. Fast,

fast, fast, nothings left for me here. Ohh IÂ'm dying oh,
oh, dying out here. I gotta be gone. Oh let me be gone
oh I donÂ't care IÂ'm gone (gone, gone, gone, gone,
GONE)
