I'm awake until dawn  
Coz last night was a hell of tiring day  
I wonder how it'll become  
But then I realized it is Monday  
To start a brand new day  
And I'm just lucky to start it with you  
My neighbour's got a new car  
But it's just the same as she drove yesterday  
And I ask her "can you take me to the bar?"  
She said this with a smile upon her face  
Coz this is a brand new day  
And you're just lucky coz I'm in the mood  
Oh oh yeah

c/o  
Yeah you gotta look it again  
All the love is around you  
Oh oh yeah  
Yeah you gotta look it again  
All the love is around you  
Oh oh yeah
