Please my dear  
Walk away from the pain  
Don't say a word  
To take away the beauty of  
Our remains

All day  
I will always wait for you  
(I will wait for you)  
In every way  
I dream about a moment with you  
(I will pray for you)  
Nothing to say  
Just trying to find my way to you  
All in a day  
I realize I may not get over you

Darkness falls on the sound  
Of your name  
Slowly breathing in  
The bible of distinction and love  
Our remains

All day  
I will always wait for you  
(I will wait for you)  
In every way  
I will always wait for you  
(I will pray for you)  
Nothing to say  
Just trying to find my way to you  
All in a day  
I realize I may not get over you

Everyday  
I will always wait for you  
(I will wait for you)  
Nothing to say  
Just trying to find my way to you  
(I will pray for you)  
Nothing to say  
Just want to be with you

All in a day  
I realize I may not get over you
