(Verse 1)

Some people say that they can walk the walk, but they just talk the talk. Well let me tell you I can walk the walk real good, baby. So you say that you can walk the walk well baby listen to me Iâ€™ve walked the walk and this is how it goes.

(Chorus)

Take a step forward donâ€™t look back thereâ€™s something in the future there ainâ€™t nothinâ€™ in the past. Look around; say ya like what ya see. Look at me, and walk the walk baby.

(Verse 2)

So now you took my advice and used it well. You on top of da world, but youâ€™ve forgotten â€™bout me. Donâ€™t you see Iâ€™m the one for you; you the one for me, you might like what you see but there is more to me than just a pretty lilâ€™ girl. So baby please.

(Chorus)

(Verse 3)

And now you see Iâ€™m up high too, I can walk the walk and talk the talk. And just guess the best part, this girl is available. Why donâ€™t ya give up on that lilâ€™ video girl? She wasnâ€™t worth your time, so go for someone who is, maybe me oh baby donâ€™t you realize the love I wanna give you isnâ€™t cheap.

(Chorus)

(Verse 4)

Well she can talk the talk but she canâ€™t walk the walk honey you need someone who cares for you just take a step forward right to me; like what you see and kiss me please, walk the walk right into my arms ohhh baby!!!!

(Chorus)

(Chorus 2)

Take one step forward no steps back there could be

someone in the future just say you love me too and
Iâ€™m for U to the ends of this planet. WALKÂ.... THAT
Â....WALKÂ....to me BABY.
