I've seen it all, I have seen the trees
I have seen the willow leaves dancing in the breeze
I've seen a man killed by his best friend
And lives that were over before they were spent

I've seen what I was and I know what I'll be
I've seen it all there is no more to see
You haven't seen elephants, kings or Peru
I'm happy to say I had better to do

What about China? Have you seen the Great Wall?
All walls are great if the roof doesn't fall
The man you will marry, the home you will share
To be honest, I really don't care
[Unverified]

You've never been to Niagara Falls?
I have seen water , it's water, that's all
The Eiffel Tower and the Empire State
What else was a sigh and what ails the state?
Your grandson's hand as he plays with your hair
To be honest, I really don't care

I've seen it all, I've seen the dark
I've seen the brightness in one little spark
I've seen what I choose and I've seen what I need
And that is enough to want more would be greed

I've seen what I was and I know what I'll be
I've seen it all there is no more to see
You've seen it all and all you have seen
You can always review on your own little screen

The light and the dark the big and the small
Just keep in mind you need no more at all
You've seen what you were and know what you'll be
You've seen it all there is no more to see
