You were the one  
You were my everything  
Never apart  
No one in between

Then one day  
When you went your own way  
You felt justified  
And I was mortified

But today  
You are just a picture, oh ho  
You are just a picture, oh ho

And a thousand memories  
Is all I take with me  
Cuz your smile is just too much to see  
You're just a thousand memories

Fantasies  
Broken dreams  
Reveries  
Sordid histories

Following my heart, laden with reaction  
Without calibration or design  
Committed to a trial a life of understanding  
Can't somebody show a sign to you?

For me, to see if you only knew

That you were the one  
You were my everything  
Never apart  
No one in between

Then one day  
When you went your own way  
You felt justified  
And I was mortified

But today

You are just a picture, oh ho  
You are just a picture, oh ho

And a thousand memories  
Is all I take with me  
'Cause a picture is worth a thousand memories
