I'm incurable but durable, it's easy to see
Lack of restraint is a complaint of those around me
I know that others postpone
Gratification, well, I lack that affectation

Let's get it right
(Let's get it right)
There's no end in sight
And I, can't stop
(Can't stop)

Can't stop it
(Can't stop)
Can't stop
(Can't stop)

Can't stop shocking
But I just can't stop it
That's right

Uncontrollable, I'm inconsolable
My pleasure center is the shelter for a reptile
I hate when I gotta tolerate
Frustration see I lack the motivation

Let's set this straight
(Let's set this straight)
I never wait
And I can't stop
(Can't stop)

Can't stop it
(Can't stop)
Can't stop
(Can't stop)

Can't stop shocking
But I just can't stop it
That's right
