

## **Bad Religion**

### **"I Want Something More"**

Visit "[I Want Something More](#)" on MotoLyrics.com

Regard quixotic reveries of ownership:

The blossoming disease of man called tenure and accretion,

The ancient western treadmill of deception and derision.

But I want something more.

Racing through a life of tragic wastage,

I experience the loss of trust and innocence.

The billowing cyclone of time has blown away our reasons

As we trudge like blind men forward trying to avoid collision.

But I want something...

More.
