

## **Bad Religion "Markovian Process"**

You will all say that I am surely crazy  
Only an unrepentant pessimist  
Whose thoughts should be detained

But facts are sterile, not vulgar nor sublime  
And they're not religion, they're for everyone  
And signify the times

Today is a window, tomorrow the landscape  
All you need to do is take a look outside  
To know what we're bound to face  
The level of disparity the common man  
The manner of destruction of the native land  
The poverty of reprisal from all involved  
And the scathing trajectory from the past

Markovian process lead us not in vain  
Prove to our descendants what we did to them  
Then make us go away
