

Bad Religion "Operation Rescue"

It's an SOS, sent out telepathically
Signs of our distress, don't allow complacency
We need restoration now, of our integrity
And a drastic bold reminder, of our morality

The rectifyin' troop is here
The ones we needed all these years
To stop the heinous wrongdoings
And verify our moral benevolence as a people

Operation, operation rescue
They're here to right our fall
They've heard our troubled call

Operation, operation rescue
You wonder where they come from
But I just wonder why they're here at all

Hoo hoo hoo hoo hoo, hoo hoo hoo hoo hoo
(Yaa yaa yaa yaa yaa, yaa yaa yaa yaa yaa)
Hoo hoo hoo hoo hoo, hoo hoo hoo hoo
(Yaa yaa yaa yaa yaa, yaa yaa yaa yaa)

Life ever after is what they're in business for
See them brandish the key to our kingdoms' door
It's persuasive a part of, part of you and me
But not overwhelming as they wish it to be

If no one believed in Fairy tales
There's nothing they could do but fail
Yet everywhere we look someone is tryin' to
Reassure our moral Benevolence as a people

Operation, operation rescue
They're here to right our fall
They've heard someones troubled call

Operation, operation rescue
You wonder where they come from
But I just wonder what compels them all

Operation, operation rescue

Operation, operation rescue
You may wonder where they come from
But I just wonder what compels them all

Yaa yaa yaa yaa yaa, yaa yaa yaa yaa yaa
Yaa yaa yaa yaa yaa
