Run  
But don't be scared to look behind  
Stop  
Don't wait too long make up your mind  
The end is almost here  
The sky, the air so nice and clear  
The sound of your decay  
And the ringin' in the air is the sweet debris of  
yesterday

There  
Now that you know it's not so bad  
See  
The good things soon flow proximad  
So if you try to enhance  
We don't deserve another chance  
Just laugh along the way  
And kiss your ass goodbye with a shadow dream of  
yesterday

Yesterday  
The good old days  
Yesterday  
The way we used to play  
Yesterday  
It just got worse and worse  
Yesterday  
The future's been rehearsed

Run  
But don't be scared to look behind  
Stop  
Don't wait too long make up your mind  
The end is almost here  
The sky, the air so nice and clear  
The sound of your decay  
And the ringin' in the air is the sweet debris of  
yesterday
