Music Meister:

Gears Grindin

Ropes Bindin

Coils Windin

For a super sap (haha)

Deathtrap

Pistons Pangin

Clamps a Clangin

Springs Sprangin

It's the last laugh

Deathtrap

(No encore for you this time Batman. But I'm afraid it's closing night for my little birdy too. Ashame, we could have made such sweet music. But now the world awaits my final number and I shouldn't keep them.)

Black Canary:

Acid steaming

Blades leaming

Lasers beaming

Final Night Cap

Deathtrap

Bones crushes

Flesh Mushes

Gore Gushes

It's a dirtnap

Deathtrap

Deathtrap

Deathtra-a-a-p

(Uuh)

Batman: (Was the singing really necessary?)
