Are you ready?
Ooh ooh ooh
(Yeah)

So fresh, so clean
Bring on the bling
Step out in bling

Bling bling, honey just keep it coming
Don't you know what you want with me
Ya move in with your body stocked
You and me in the passenger seat

'Cos you so fly wit ya appeal
(Bling)
Girl ya know that you're hanging wit me
We stride out in my coupe appeal
'Cos we need what you comin' wit me

Yeah, had to be so gorgeous just to be so fine
And now ya finally got it ya self
You finally gonna shine
And you do it so beautiful right in front of the worlds
eyes

And now you looking in a watch like mine
How time flies, but girl don't buy from a girl
You got it gotter than girl
You're corporated than girl

You live in Hollywood
Well whatever you do, you sell the whole world
You got it so go get that money
And go make that deposit

Bling bling, honey just keep it coming
Don't you know what you want with me
(Bring on the bling)
Ya move in with your body stocked
You and me in the passenger seat

'Cos you so fly wit ya appeal

(Bling)
Girl, ya know that you're hanging wit me
(Bring on the bling)
We stride out in my coupe appeal
'Cos we need what you comin' wit me

Bring on the bling

Gotta love a girl like me
Hair curls like me
This is how we bling bling
Get yours like me

Spin me around, I'm a brand new lady
(Yes you are)
The guys gon' love this
The girls gon' hate me
(Yes they are)
How you like me now, with my new profile
(Uh huh)

Hair like wow, I gotta bling this town
'Cos we, so glamorous
Now can you handle us
(No we can't)
The whole world lookin' so damn fabulous

Bling bling, honey just keep it coming
Don't you know what you want with me
Ya move in with your body stocked
You and me in the passenger seat

'Cos you so fly wit ya appeal
(Bling)
Girl ya know that you're hanging wit me
We stride out in my coupe appeal
'Cos we need what you comin' wit me

Check the feeling and the toes watch out
The glows and that bout to step out the door
Don't you love it
Make you wanna touch Gucci up in the uh

Turn around and let me see you move like you are
Just move it I'm sure
I mean you're clear, from front to rear
No need to feel the world is yours

Bling bling, honey just keep it coming
Don't you know what you want with me
(Bring on the bling)

Ya move in with your body stocked
You and me in the passenger seat

'Cos you so fly wit ya appeal
(Bling)
Girl ya know that you're hanging wit me
(Bring on the bling)
We stride out in my coupe appeal
'Cos we need what you comin' wit me

Bring on the bling
