I think I'm stronger now
But would know
For every move I make
I'm letting go
I heartly think of it as yesterday

You through me out like garbage
So pack your bags, your love, and run away

I run to hell and back for you
Fight to make your dreams come true
I'll take a drink of your valcano jumpsuit
Be the one you sacrifice

I know I had it coming
A matter of time
Before you'd figure out
About my crime
But there is one thing
I want you to know

You're always in my heart
Everywhere I'll be or where I go

I run to hell and back for you
Fight to make your dreams come true
I'll take a drink of your valcano jumpsuit
Be the one you sacrifice

You're every move I make
I know it's my mistake
This moment is just a fase
But the position of your grace
You let me in your hate
This word is my command
Take me down and fill me up
Your power makes me feel like I'm a man

I run to hell and back for you
Fight to make your dreams come true
I'll take a drink of your valcano jumpsuit
Be the one you sacrifice

I run to hell and back for you
Fight to make your dreams come true
I'll take a drink of your valcano jumpsuit
Be the one you sacrifice

The one you sacrifice (x4)
