Sweaty Thighs of Dominant Sluts  
Soon the Goddess left her unfinished dinner  
And walked by me  
Stopping just for an instant  
To touch my trembling shoulder

I guessed her gesture  
And followed her at once  
Passing by the staff rooms  
Going further inside the building

All the way my godlike stranger kept silence  
I also did not dare ask her anything  
And when the service lift brought us to the top floor  
The Mistress opened the door to a penthouse  
Where I saw a really fabulous sight  
Of many incredibly expensive women  
Skilfully satisfying their partners

I found myself in the apartments of strange society  
Where strict ladies dominated  
And men sucked their toes

I could not believe my eyes  
It was the place of my dreams  
But the mysterious black-stockinged brunette  
Helped my dream come true

All the way my godlike stranger kept silence  
I also did not dare ask her anything  
And when the service lift brought us to the top floor  
The Mistress opened the door to a penthouse  
Where I saw a really fabulous sight  
Of many incredibly expensive women  
Skilfully satisfying their partners

Soon I was lying under the sweaty thighs of two  
Dominant sluts  
Who came to me by the order of the Goddess  
I felt the hot slot of one female and greedily licked  
The feet of another  
I surrendered myself to them
