I lose myself  
I forget myself  
Sometimes i fault myself  
I might fight myself  
But then i make amends  
I freeze myself  
Rain on myself  
Ok, so i stone myself  
And i might even find myself  
But then again what happens if i do  
So unzip my pride  
Open me up wide  
So i can show this to you  
Chorus:  
I want to shine for you  
I want to sparkle too  
Just like a diamond cursed  
Well you know it don't get worse  
You know that i'll save you time  
Your trouble now is mine  
Hold me baby  
Hold me girl  
And i will laugh with you  
If you want me to  
Roll me in your splendor  
I'll envy your surrender  
And show you victory  
I hate myself  
Doesn't everybody hate themselves  
I scare myself  
Then i tell myself it's all in my mind  
So i let the poison go  
'cause i always know  
It will be there for me  
Chorus
