Low down, downtown
Money waster
Where your saving grace
Is that I like to taste you
But your flower is spoiled
Too easy to make you
You got a.38 and your book of Revelations
I got a.44 and load of temptation

Chorus:
Well I'm a rounder, like to round around
Whoo-hoo
Say I'm a rounder, yes I am
And like to round around

They got two for one at the store on the corner
Little girl like to drink and sniffin' powder
Like the bar that stays open after hours
Like the boys that go 0 for 24-7
Too many late nights and you don't go to heaven

I am a rounder, like to round around
Yes I do
Said I'm a rounder, oh yeah
Like to round around
Get down'À€À!
Get down!

Whoo-hoo

To my low down, downtown
Money waster
Your saving grace was that
I liked to taste you
But your flower is spoiled
To easy to make you

Well I'm a rounder
Got to round around now
Yes I do
I'm a rounder baby
Got to round around now

Just got ta!
