"Good Friday"

We've been avoiding this for so long,
Luxury is temporary than it's gone.
I thought that we would happen,
I guess I'm wrong.
We'll say hi on the street,
Then we'll move along.
I know this will be awkward,
But not for long.
Cause soon you'll have a new boy,
To sing you songs.

(Chorus)

I will not forgive you,
Nor will I accept the blame.
I will see you on Good Friday,
On Good Friday...

I'm sorry I couldn't do this yesterday,
And tomorrow I am busy and what
It is I can't say.
And Saturday's no good is no good,
We got a show.
So it has to be Good Friday,
Then it's so long...

I will not forgive you,
Nor will I accept the blame.
I will see you on Good Friday,
On Good Friday...

You, You come and go when you please,
I know unfulfilled needs
I know you do too
Oh But I, you know I never see
Things through,
I didn't paid attention to you
But honey I tried...

I will not forgive you,
Nor will I accept the blame.
I will see you on Good Friday,
On Good Friday

On Good Friday
On Good Friday...
