Look out

Just come out and say it  
Yeah, spit the words out of your mouth  
It needs no explaining  
'Cause we both felt it go south

Oh, just stop kickin' my heart around  
For the last time  
Stop kickin' my heart around

Well, I told you so, now, it's time to go  
I got to get my show on the road  
Just stop kickin' my heart around, alright

I said, "In the beginning  
Now, there was no wrong you could do  
And now in this ending  
I can't stand looking at you"

So just stop kickin' my heart around  
For the last time stop kickin' my heart around

Well, I told you so, now, it's time to go  
I got to get my show on the road  
Just stop kickin' my heart around, get on, get on, get on

Just stop kickin' my heart around  
For the last time stop kickin' my heart around

Well, I told you so, now, it's time to go  
I got to get my show on the road  
Just stop kickin' my heart around

Just stop and [Incomprehensible]
