Come on down crooked man
Step on up broken man
Well it's okay to cry troubled man
Just ease your worried mind and rest awhile

Do you remember when it started
You had a dream
Now you never talk about it

Your fame and riches were everything
No matter what the cost
Now you wish you hadn't blown it

Well lay it all on me
Lay it all on me

Well come on down crooked man
Step on up broken man
Well it's okay to cry troubled man
Just ease your worried mind and rest awhile

I came to see how you were doin'
It's been awhile
Lookin' back over your shoulder

You were restless and you were wild
Always runnin' away
Once was young now is older

Lay it all on me, yeah
Lay it all on me

To come on down crooked man
Step on up broken man
Well it's okay to cry troubled man
Just ease your worried mind and rest a while

Come on down baby
Ease your mind

Lay it on me
Lay it on me

Lay it on me baby
Lay it on me

Yeah yeah yeah
Lay it all on
Lay it all on me
On me, yeah yeah
