Your eyes they look like two bullet holes
And you don't ever say, "Maybe"
You knock me out with the way you talk
I like the way you say, "Baby"

You want a mouthful of Scorpio
Yeah, but my poison be tasty
You bite my finger and say, "Control"
You won't let me be lazy

Night and day like a mule I'm kickin'
Girl you gonna catch a lickin', yeah
Catch a lickin'

Night and day like a mule I'm kickin'
Girl you gonna catch a lickin', yeah

Fire out of the mouths of babes
They got you actin' so crazy
The doorknob queen of the underage
You got me rantin' and ravin'

I see the bruise you left on my page
And now the game's getting tricky
So left alone in my own parade
While the bomb keeps on tickin'

Night and day like a mule I'm kickin'
Girl you gonna catch a lickin', yeah
Catch a lickin'

Night and day like a mule I'm kickin'
Girl you gonna catch a lickin', yeah
Catch a lickin'

Say do you want to do it all with me?
Do you want to scream, bleed for me?
Well everything, everything
Just take all of me, just take all of me, yeah

Your teeth they taste just like razorblades
Oh, you got my tongue ready

You fill me up with your politics
Then you leave me so heavy

Night and day like a mule I'm kickin'
Girl you gonna catch a lickin', yeah
Catch a lickin'

Night and day like a mule I'm kickin'
Girl you gonna catch a lickin', yeah
Catch a lickin'

Night and day like a mule I'm kickin'
Girl you gonna catch a lickin', yeah
Catch a lickin'

Night and day like a mule I'm kickin'
Girl you gonna catch a lickin', yeah
Catch a lickin', yeah

Catch a lickin'
Catch a lickin'
Catch a lickin'
