So come on off of your rooftop
So come on down to the street
So I've got something to tell you
You're secrets I will keep

Tell me why have you been crying
Why won't you look me in the eye
So I'm just trying to help you
I just need to know why
Baby, please won't you help, help me try

Be my secret, yeah, be my joy
Be a miracle to me
Baby, be my lover
So baby be my friend, yeah
Be a miracle to me

I want to sleep in moon glow
And in my mind you're smile I keep
So head over heels I go
Like a dream from a peaceful sleep
This time I know so I'm in need

Be my secret, yeah, be my joy
Be a miracle to me
Baby, be my lover
So baby, be my friend, yeah
Be a miracle to me

Be my secret, yeah, be my joy
Be a miracle to me
Baby, be my lover
So baby, be my friend, yeah
Be a miracle to me, be a miracle to me
