Dizzy found me last night
I saw some kind of new light
I woke up in a whirlwind
Baby, just you watch my head spin
The spectacle that made you cry
It's a thrill a minute plane ride
It's over time at ring side, no lie

March me down to the seven seas
Bury me with a ruby ring
Kiss me baby on an Easter Sunday day
Make my haze blow away
Oh, make it blow away

I hide, I seek, I go to I find
Truth in a fable faith in a rhyme
So why they want to bad talk to me
Are they surprised by what we see?
Like my table and my tide turn
Like on my bed the emperor worn
Is that enough for me? It could be

March me down to the seven seas
Bury me with a ruby ring
Kiss me baby on an Easter Sunday, day
Make my haze blow away
Oh I say I'll make them blow my haze away

You're right in my ears
Now for permanent ever gonna be clear
Stick a needle in my eyes
And my whole family goin' to ask you why
Fuck it

If music got to free your mind
Just let it go baby, let it go
'Cause you never know, you never know
Say if your rhythm ever falls out of time
You can bring it to me
And I promise I will make it right, yes I will

If your heart is beating free

For the very first time it'll be alright
Yes it will, yes it will
If your soul is let go oh baby you never know
No you never know, you never know
If your rhythm ever falls out of time
You can bring it to me

And I will yes I will make it alright
You know I will I'm trying baby
But if I'm trying, if I'm trying
Will you let it, will you let it all go
Let your man go, let your heart go
Let your soul go will you let it
I just wanna try, make it alright
Make it alright, alright

March me down to the seven seas
Bury me with a ruby ring
Kiss me baby on an Easter Sunday, day
Make my haze blow away

March me down to the seven seas
Bury me with a ruby ring
Kiss me baby on an Easter Sunday, day
Make my haze blow away
