Listen, it's a trip y'all  
Git hip to this y'all  
It will git y'all  
Make ya flip y'all  
Gonna hit y'all  
Never quit y'all  
Right in the middle of our minds

The bug that bit y'all  
Make ya itch y'all  
Inch by inch y'all  
Til your tall y'all  
See it all y'all  
Near and far y'all  
We won't ever let it drag y'all

This funny feeling got me reeling  
Like I'm walking on the ceiling  
Do it to me now

Ozone mama lay your daddy down  
Under the stars right down on the ground  
Mother nature got me thinking  
'Bout the love that you've been bringin'  
Do it to me now

C'mon the ride y'all  
We provide y'all  
It's like this y'all  
Never miss y'all  
Git up and go y'all  
Ya never know y'all  
We be the bottom of your bag

Give a call y'all  
Anytime y'all  
Don't be slow y'all  
Ya gotta know y'all  
On with the show y'all  
Bring it all y'all  
We don't ever have to brag y'all

Well you got this poor boy thinking  
From your cup I've been drinking  
Do it now

Ozone mama lay your daddy down  
Under the stars right down on the ground  
Mother nature got me thinking  
'Bout the love that you've been bringin'

Ozone mama lay your daddy down  
Under the stars right down on the ground  
Mother nature got me thinking  
'Bout the love that you've been bringin'

Mama give it to me now  
I said mama give it to me now  
Said give it to me, give it to me now  
Give it, give it, give it to me now  
Oh, yeah, mama you got me thinking  
'Bout the love that you've been bringin'  
Give it to me now, yeah, yeah, yeah  
I said a little bit, give a little bit, give a little bit  
Yeah, yeah, yeah, ozone mama give a little bit  
I like it like that
