I am a cobweb  
In the corner of the room  
I tell you I built myself a boat baby  
So cÅ'mon and cry me a monsoon

Get busy on it  
And make it deep

Imagine how surprised all the kids will be  
Empty bottles, saviours they crawl  
That has always been and will always be  
ThereÅ's a hornetÅ's nest in my head  
Come and save me

If I donÅ't say nothing  
You say Å"now tell us what to doÅ"  
So I tell yÅ'all this is just how I live  
Somebody else calls it the news  
But thatÅ's yesterday  
YesterdayÅ's news

Imagine how surprised all the kids will be  
Empty bottles, saviours they crawl  
That has always been and will always be  
ThereÅ's a hornetÅ's nest in my head  
Come and save me

Imagine how surprised all the kids will be  
Empty bottles, saviours they crawl  
That has always been and will always be  
ThereÅ's a hornetÅ's nest in my head  
Come and save me
