Baby, baby, why can't you sit still?
Who killed that bird out on you window sill?
Are you the reason that he broke his back?
Tell me, did I see, you think I'd laugh about that?

If I come on like a dream?
Will you let me show you what I mean?
Will you let me come on inside?
Will you let it glide?

Can I have some remedy?
Remedy for me, please
If I'd some remedy
I'd take enough to please me

Baby, baby, why you dye your hair?
Why you always keeping with your mother's dare?
So, baby, why's who's who, who, baby, know you too?
Tell me, did the other children scold on you?
If I come on like a dream?
Will you let me show you what I mean?
Will you let me come on inside?
Will you let it slide?

Can I have some remedy?
Remedy for me, please
If I'd some remedy
I'd take enough to please me

I need a remedy, but what is havin' me?
You see, I need a remedy, but what is havin' me?
I need a remedy, but what is havin' me?
If I'd only had a remedy, you see, I'll find it
You see, baby, I want it, you see, I'll find it
Really want, really want it

Can I have some remedy?
Remedy for me, please
If I'd some remedy
I'd take enough to please me
